

Macromedia® Director 8.5

This course is designed for those who want to master the 3D features of Director 8.5 Shockwave Studio. It uses step-by-step projects to help students master the art of creating sophisticated 3D content.

Students will learn the basics of Director and learn how to publish their work on the Web. In addition, they will discover how to incorporate 3D content into their designs in complex, compelling ways.

Duration:

- 3 Days, Instructor-led

Prerequisite:

- There is no prerequisite for this course.
